# APPtivity

THE APP VAULT

Apptivity One:

Create a Storyboard on the roles of the President. Make sure you showcase all aspects of the job in your picture.

Apptivity Two:

Create a word cloud of the jobs of the President. Make it detailed, and original. If it is good enough I make let you use it as a cheat sheet for the quiz tomorrow.

Apptivity Three:

Create a poster on canva.com, add the pictures from your storyboardthat project, and the word cloud. Create an advertisement for the jobs of the President.

Apptivity Four:

 Post a screenshot of your final project on padlet, and submit it to schoology.
